

Adams Brothers, Inc.

Atlanta • Birmingham • Charleston • Charlotte

- Gravimetric & Volumetric Feeders
- Weigh Belt Feeders • SolidsFlow Meters
- Bulk Bag Dischargers

- High Incline Enclosed Conveyors
- Dome Storage and Reclaim System

- Fluid Bed and Flash Dryers
- Heavy Duty Electro-mechanical Feeders

- Design & Fabrication of Bolted Tanks
- Shop Welded Tanks in Coated Carbon Steel Aluminum & Stainless Steel

ERIEZ MAGNETICS

- Permanent Magnets, Electro-Magnets
- Metal Detectors • X-RAY Inspection Systems
- Vibratory Feeders & Conveyors
- Magnetic Conveyors

- Liquid Ring & Dry Vacuum Pumps
- Air Ejectors
- Heat Exchangers
- Steam & Process Condensers

KISTLER-MORSE

- Load Cells and Controls for Tanks
- Hoppers and Silos & Bulk Weighing Systems
- Ultrasonic Level Sensors and Controls

- Mixers, Blenders, Dryers

MAC EQUIPMENT, INC.

- Dense Phase Pneumatic Conveying Systems
- Dilute Phase Pneumatic Conveying Systems
- Rotary Airlocks & Diverter Valves
- Blower Packages
- Pulse Jet & Reverse Air Filtration Systems

- Bulk Bag Dischargers & Fillers
- Lift & Seal Drum and Container Dischargers
- Drum and Container Filling Systems

- Vacuum Conveyors & Loaders for the Chemical, Food & Pharmaceutical Industries
- Highest Degree of Hygiene and Safety in Design & Fabrication using FDA approved materials

- Gyrotory Screeners & Sifters
- Liquid-Solid Separators
- Particle Size Measurement & Analysis

- Valves for handling dry bulk solids in pneumatic conveying or gravity flow systems
- Slide Gate Valves • Diverter Valves
- Iris Valves • Butterfly Valves
